

SUPER COATING

Extra Durable Floor Finish

Product Description

SUPER COATING produces a high gloss “wet look” that is extremely durable under heavy traffic. Superior wax polymers provide excellent resistance to marking and scuffing, outlasting and outshining conventional floor finishes. **SUPER COATING** is suitable for areas with heavy foot traffic and even light wear from pallet jacks, carts and trolleys etc.

Areas of Use

SUPER COATING is ideal for vinyl, ceramic tiles and sealed wood floors in public areas such as supermarkets, shopping centres, airports and train stations. It is also suitable for most other hard surfaces such as terrazzo, marble and granite.

Special Features

- Contains 22% solids, tough film is highly resistant to scuffing.
- Greatly reduces slip problems of natural floor coverings.
- Applies easily with perfect flowing and leveling. Leaves no spots, streaks or mop marks.
- Suitable for ultra high speed burnishing.
- Easily maintained - washable with most commercial detergents without dulling.

Directions for Use

- Strip old finishes from floor with a good stripper such as **ACTION 150 S**.
- For uncoated floors, clean thoroughly with a floor detergent such as **POWER FORCE** or **FOUR SEASONS**.
- Ensure that floors are free of alkali residue and completely dry before application.
- Pour **SUPER COATING** into a clean bucket and apply evenly to the floor with a clean mop. Ensure that coating is dry before applying the next coat. Allow last coat to dry as well before allowing traffic on floor. Usual drying time is 15-25 minutes depending on the environment. For brand new porous floors, a third coating is recommended.
- Average coverage:
 - 1st coat - about 40 m²/ltr. 2nd & subsequent coats - about 60 m²/ltr.
- To maintain finish, dust mop daily and wet mop with mild detergent regularly. For even glossier finish, spray buff with high / ultra-high speed machines and quality buffing solution such as **SUN UP PLUS**. When finish has dulled, strip and recoat the floor

Note: Do not return unused polish from the mopping bucket to the container.

Precautions

As with most chemicals, avoid ingestion and eye contact. Wash hands thoroughly after use. If ingested, dilute by drinking water and seek medical help. If product enters eyes, flush with plenty of water and seek medical help if irritation persists.
